## **TO ALL RESIDENTS OF CRESCENT DRIVE, GREEN AVENUE, LAKE AVENUE, LESLIE AVENUE & MANASQUAN AVENUE**

During the period May 12<sup>th</sup> through May 18<sup>th</sup>, 2022, New Jersey Transit, in cooperation with the New Jersey Department of Transportation, shall close the Railroad Crossing on Green Avenue to permit extensive rehabilitation of this crossing.

During this period residents will have to enter the above referenced streets from the Green Avenue Bridge.

In addition to this inconvenience, your regular scheduled Monday trash collection will be impacted as the only means of access for the Trash Collector is a County Bridge that cannot sustain the weight of a trash compactor (garbage truck).

The Governing Body realizes that this could be a hardship for many of the impacted residents.

In order to try and alleviate this problem the contractor will be employing a pick-up truck to collect the trash. We would therefore ask that on May 16<sup>th</sup>, residents try to limit the amount of their household garbage.

We apologize for the temporary inconvenience, but we would ask for your understanding as the work being performed is critical for the state's infrastructure.

Thanking you for your kind cooperation, I remain on behalf of the Governing Body,

Yours Sincerely,

Thomas B. Nicol
